Yes. Are all the edits in? I am in the car now. I sent an email earlier. Is it cleaned up?

I have grill duty tonight so will check this in about an hour or so. Let me know if it looks good to go from both of your perspectives.

Tanya is away from her computer for another few hours. Carson, she said you can add names. If that's the case can you add Kate? Then I'll send to her and Kyle. Thanks.
